# Inspire success...

Located just over an hour's drive from Melbourne Airport and sitting directly opposite Anglesea River is the regions' most dynamic new conference and meetings experience. Set amidst the wilderness of coastal Victoria, Great Ocean Road Resort Conference Centre accommodates up to 150 delegates at any one time and exudes peace and tranquillity, perfect for planning and achieving corporate success.

“ We decided to escape the city and look at options outside of Melbourne for our 2-day team conference. We discovered the Great Ocean Road Resort in Anglesea, only a 1 hour and 15 minute drive, and I couldn't speak more highly of the professionalism and attention to detail that they provided in both the lead-up and for our delegates during the conference. The Resort had everything that we needed and more, excellent conference facilities including break-out rooms, a fantastic on-site restaurant and catering, spacious accommodation and even a day-spa, pool, spa and tennis court on-site. It is located overlooking the Anglesea River and a 5-minute walk to both the Anglesea Beach and the main shops of Anglesea. Thanks to Damien and the team.
